| Access to event contacts page | X | X | | Read only for contributor | | | |
| Invite a User to become contributor | X | | | | | | |
| Release contributor role | X | For himself | | A contributor can decide at any time to release his contributor role | | | |

Event settings is not the same than "event sharing settings"

For LINKAVIE share,
Same as slide 12-16 for user-to-user sharing/sync
