Agree on Partnership Terms

Your personal account manager will be responsible for negotiating an

agreement, creating an event sales operational plan, scheduling on-site  
sales

staff and ensuring that each aspect of the event is a great success.

Step 2:

> Submit your Event's Details [link to "submit your event" page]

Collaborate Event Details, Approve the Artwork Design

Once an agreement is established, our professional graphics team will then begin  
to work on a unique logo design to enhance the look of your event.

Step 3:

Confirm Logistics, Host the Event and Receive a Check!

Lastly, as the event's date approaches, we will get in touch with you to  
reconfirm

Step 4:

all the details. Once we're on-site, the team will set up an amazing

presentation, provide great customer service, and after an event of  
successful

sales, your account representative will pay the specified treasurer the  
event

commission with a total report of all sales. It's really that easy!
