« Invitation to become LINKAVIE fri

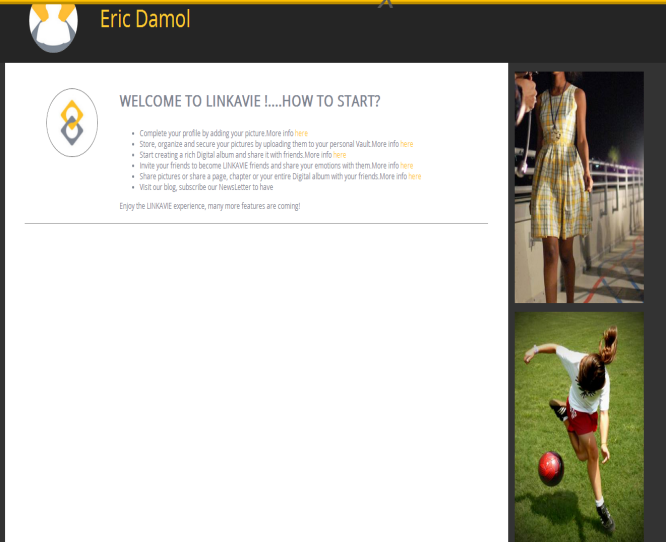

To accept the invitation please login

Form fields for login: Email, Password, and a Login button. Below the fields are links for "Remember me" and "Forgot your password?".

User should be redirected to his Dashboard page with the Congratulations message. Now we don't have any message anymore. Message to appear in case user is already logged-in or not logged-in (both)

Anton to propose a better header
This one is a bit sad/big/heavy, more fresh
=> For all emails
