1	“Nothing else came close to the success we are having with Fine Designs.” or “You will not be disappointed.”	http://csaha.com	<p>To whom it may concern,</p> <p>If you are a Tournament Director or Event Planner and are looking for someone to handle all of your apparel needs, then Fine Designs is the company you want to use. We have worked with them for about the last 4 years with both our President's Day Tournament and prior to that our Colorado Cup Tournament. Prior to that we had tried other companies and also tried to do it in house and nothing else came close to the success we are having with Fine Designs.</p> <p>Since we started using Fine Designs our stress level during the tournaments has gone down and we do not have to worry about anything. The work that they perform prior to the event from helping with design to setting up a website for pre-sales is something others do not offer. They show up to the event with the latest colors and styles of clothing and people are excited to buy.</p> <p>Recently, during a trip to Dallas we had the opportunity to tour Fine Designs facilities and meet with the owners. You will not find a group of people who will work harder to ensure the success of your apparel sales. The bottom line is these people care and we had both the chance to see it in their faces and here it in their voices. I have been in several apparel print shops and Fine Designs is by far the nicest and most efficient ones I have ever seen.</p> <p>If you are considering using Fine Designs I can say you will not be disappointed. If you have questions they will answer them in a timely manner, if problems come up they deal with them quickly and with them it is never the customers fault. They work hard to make it right.</p> <p>Please contact me at 719-330-4738 if you would like to talk further about your all-important apparel decisions.</p> <p>Mike Pipkins President's Day Tournament Co-Director Colorado Springs Amateur Hockey Association</p>
2	“Lots of Options.” or “Our booking agent was great.”	http://www.scorpionsrl.com/Home/Page	<p>Fine Designs did a really great job for us. Here are some highlights...</p> <p>Our booking agent was great, customer service, the few issues we had were resolved swiftly, and her availability was great.</p> <p>They designed a new logo for us as part of the service, it turned out to be very popular... Quality of products was good. They accepted and processed credit cards as well as orders as they ran out of some of the more popular items, and shipped these to the people that ordered. We received payment promptly, it was about 50% higher than what we made last year without such a service.</p> <p>Lots of options was popular with the players, opportunities to customize the item to their liking, we received a spike in interest as they could screen 'champions' onto any item for the teams that won, I think this is a great option as even the kids that wouldn't normally order would consider something like this. Lots of different items that were popular that we could never consider selling because of our ability to stock. Of course they eat unused stock so you don't have to.</p> <p>It was a great experience for us to use Fine Designs. I would imagine it would increase your sales dramatically. Please feel free to ask additional or more specific questions, I'd be happy to answer.</p> <p>Patrick Marino Staff Coach & Director Scorpions-South</p>
3	“Professional and on task.”	http://www.thenationals.net/football.htm	<p>I can highly recommend Fine Designs for your events. We run a Youth Football tournament in Las Vegas every Thanksgiving weekend and I have worked with Fine Designs for at least 5 years. Every year they do a fantastic job. I have worked with Yuli and Victor and their staff closely and have always found them professional and on task. I have never been concerned about having their staff around when I was dealing with money or any sensitive issues. They stay within their assigned area and are friendly and easy to work with. The products they sell are great quality. I personally receive shirts/pants/shorts/ sweatshirts every year and my children have worn them to pieces. They have been washed and dried many times and I have had no issues with the quality of their product. Each year, my returning clients check in advance to make sure Fine Designs will be on site because they are looking to purchase more of their product with the new design. I believe their pricing is comparable to other such vendors. I have not had complaints from my clients regarding their prices. I am very happy with their art department! They provide new designs for me every year for my event at no additional cost. I have veto power over the design and when I have not been pleased with their design they happily go back to the drawing board until I am thrilled with the results.</p> <p>I can highly recommend Fine Designs to you for your events.</p> <p>Sharron Ritch Vice President Sports Network International</p>
4	“Fine Designs was able to increase our revenue stream.” or “Variety of Product.”	http://www.ussa.com/sports/home.asp?Sport=11	<p>I have been asked by Fine Designs to give you an honest impression of the quality of their work and product. This year, we have totally changed over to Fine Designs for our event apparel. I have enjoyed working with my account rep, Mary Novik, and have found her very professional and knowledgeable. Recently we had our first major event that Fine Designs worked at I was very happy with the staff, their responsiveness to the clientele and their overall performance. Additionally, Fine Designs was able to increase our revenue stream from our previous vendor even during these poor economic times. Fine Designs brings a larger variety of product and have a nicely setup "store".</p> <p>Additionally, working with their graphic artists has been terrific. They are very responsive and turnaround the graphics quickly. There is never an issue no matter how many times we send it back to have the artwork modified (no, we don't typically need very many modifications). Very pleasant group of people.</p> <p>Lastly, their webstore allows us to easily link to them and increase potential for pre-sales in a simple but clean fashion. We put on College Showcases and are responsible for Region IV USSSA Fastpitch as well as TXN and TXS, including the USSSA World Series for 18U Majors, 18A and 16A. J.D. Bancroft and I are extremely happy with Fine Designs and recommend them to you as a candidate to be promoted through USSSA.</p> <p>Regards,</p> <p>Paul Rose Assistant State Director USSSA Texas</p>
5	“Polite, on time and had our interests in mind.”	http://www.finedesigns.com/event-apparel/by-month/may/glenn-d-loucks-track-and-field-games.html	<p>Let me begin by saying that one of the worst parts about running a major meet is the tee shirt business - ordering, picking up or scheduling delivery, sizing, leftovers, shortages, etc. How many times did I say to myself, "Did I get enough mediums". And worse yet was being left with extras and telling my wife that I'd stick them in a closet for a year!</p> <p>Fine Designs takes care of all of that. They were polite, on time and had our interests in mind. Every time I looked over at their concession stand, there was a long line. THE BEST PART was that I didn't have to do anything. Well, maybe better was the fact that within a week of the meet I received a check from them!!! That was sweet.</p> <p>Fred Singleton Glenn D. Loucks Track and Field Games White Plains High School</p>
6	“Exceptional Job.” or “We have never had a vendor stay that late!”	http://www.cmsusssa.com	<p>I just wanted to drop you a note and tell you how impressed I was with Peter and Curtis [from Fine Designs]. They did an exceptional job marketing products at the tourney. In fact they had a line of about 12 to 15 people to buy stuff on Sunday night at 10 pm after the last games were played. We have never had a vendor stay that late!</p> <p>Ron Womak Assistant Director Central MS USSSA Baseball</p>
7	“Well Above The Norm.”	http://rockymountainnationals.com	<p>As an event planner over the past 13 years, I've had the pleasure to work with Fine Designs. It is well worth mentioning that the professionalism, the honesty, the preparation and follow-up that you receive from Fine Design is well above the norm. I would recommend their services to any planner that has need of event apparel. They maximize projected sales with great customer service.</p> <p>Ed Gutierrez Director RMN Events</p>
8	“Contracts are fair and profitable.” or “The process runs itself and allows me as the Tournament Director to focus on running the tournament.”	http://www.needhamsoccer.com/tournament/Home/tabid/17954/Default.aspx	<p>Fine Designs has been the choice of the Needham Memorial Day Tournament – Invitational & GPS College Showcase since 2009. The reason is simple, we receive a solution package for our tournament needs. Our needs are many:</p> <ul style="list-style-type: none">• Onsite printing allows us to create tournament tee shirts during our event to meet our guest desires.• This process eliminates any residual tee shirts.• In-house design teams create new themes each year, allowing for a refreshed looking tee shirt every year. This allows for multiple purchases year after year form returning teams and clubs.• Contracts are fair and profitable contributing to our fundraising needs.• Being the largest soccer tournament in the country (per GotSoccer)... <p>we have multiple sites and Fine Designs allows us to have various locations through our field complexes.</p> <p>Most importantly, the process runs itself and allows me as the Tournament Director to focus on running the tournament.</p> <p>Mark Miskin Tournament Director Needham Memorial Day Tournament</p>
9	“Vendor of Choice.” or “They have always provided excellent artwork.”	http://www.dallasjrstars.com/page/show/96377-dallas-junior-stars	<p>Fine Designs have been the vendor of choice for the Dallas Junior Stars since 2003. They have always provided excellent artwork for our events, and accommodated our request to incorporate our logos, Texas themes, and other tournament specific details that are important to our visiting teams. They have provided excellent customer service at our events and covered multiple locations in a logical and professional manner, that maximizes sales opportunities. After the events, they have always paid their commissions quickly, which is important for us to wrap up our event accounting quickly. They also send out post-event surveys to provide feedback, which are reviewed and followed up on by the management team.</p> <p>Bob Smith Tournament Director Dallas Stars Tournaments</p>
10	“Good quality, bespoke garments.” or “We are proud to be associated with Fine Designs.” or “The ability to personalize garments on the spot, at a reasonable price.”	http://dwcworld.com/new/	<p>As chairman of Dance World Cup Limited (www.dwcworld.com), I would be delighted to recommend Fine Designs to anyone who wishes to have good quality, bespoke garments for their event.</p> <p>With over three thousand dancers that attend our annual finals from 25 plus countries, the t shirts, hoodies, bags and other merchandise produced are all of excellent quality and loved by our dancers. The ability to personalize garments on the spot, at a reasonable price is a big hit with all our competitors. We have used this company in Austria as well as the United Kingdom and intend to use them for our next competition in southern Europe next year.</p> <p>We are proud to be associated with Fine Designs who on an administrative level are also easy to deal with and assist us with our sometimes demanding needs such as our annual T-shirt design to go on our official T-shirt and any additional motives/transfers that we will allow on the clothing.</p> <p>We wish them all the best for the future.</p> <p>John Grimshaw Chairman DWC Limited</p>

12	“Fine Designs Rode to My Rescue”	http://www.theloucksgames.org	<p>As the Meet Director of one of the area's largest sporting events, the Glenn D. Loucks Games, I was always nervous about ordering tee shirts. How many were too many and how many were too few? Somehow, every year, those questions loomed over my already worry-filled head, which was filled with thoughts of other items like entries, weather, equipment, food, officials and so many others.</p> <p>Each year I would hear statements from the volunteers like, “Are there any additional mediums?”. Or, “Next year, order more smalls”. Or, “We ran out of blues again this year”. Coupled with the time consuming matter of picking up the shirts or coordinating a delivery time, tee shirts became an overriding burden.</p> <p>But like knights on horses, the Fine Designs team rode to my rescue. During a meeting of introduction with their representative Naomi Novik, I realized the potential relief that they were offering. I fired off questions:</p> <ul style="list-style-type: none">• “Let me get this straight,” I said, “I don't have to order sizes or colors?”• You custom print them there at the meet?• I don't have to pick them up?• I won't have to take home two dozen or more unsold items and store them in my closet until next year's meet?• Besides tee shirts, you offer other apparel items as well?• AND, once the meet is over, in a few days we will receive a check from you?” <p>At the next committee meeting I begged my colleagues to give Fine Designs a chance. After all, they were offering the opportunity to take shirts off my back! Ever since, it's been a great working relationship, one that I value. I highly recommend their services.</p> <p>Fred Singleton Meet Director Glenn D. Loucks Games</p>
